TECHMEETUPS UPCOMING EVENTS:

January 23 (Monday) – [TSH Startup Masterclass: Behind the Scenes with VCs and Venture-backed Startups](#)

January 30 (Monday) – [What Startups can Learn from Apple? A Special Presentation by Adam Lashinsky](#)

Techmeetups is a marketing and promotions company and the organizer of the London Silicon Roundabout group. It was founded in December 2010 and started organizing monthly meetup events around different themes involving technology startups. Since then, it has expanded its scope of operations to include Startup Masterclasses, and Startup Mentoring Workshops.

TechStartupJobs is a jobs board, initiated by Techmeetups, focused on startup jobs around the London Silicon Roundabout and East London Tech City area.
